## NEW TAIPEI CITY

June 5-20 2016

The Youth Ambassador Program to New Taipei City has places for 30 students from the Cincinnati Public Schools and the Greater Cincinnati Area schools.

In New Taipei City, students stay with host families. They learn about Taiwanese culture, tour famous landmarks, enjoy delicious foods and attend Taiwanese schools with children of their host families. Students are accompanied by chaperones and local city and school guides. No language requirements for this program.

The ambassador program helps future leaders of both countries to experience different cultural & educational systems, build lasting friendships and expand their perspective of the world.

# GERMANY MUNICH

## June dates to be announced

The Youth Ambassador program to Munich has places for 30 students from the Greater Cincinnati area to travel to Munich this year.

In Munich they stay with host families, learn about German culture and attend German school. They are accompanied by chaperones familiar with the culture and language. Most young Germans speak pretty good English, so our students do not need to know German.

Generally, students will host German students from the very family that they were staying with in Cincinnati. Thus creating a real exchange between families and lasting friendships

# INDIA

## MYSORE

June 1-14 2016

The Youth Ambassador program to Mysore has places for 18 students from Greater Cincinnati. Students visit the Taj Mahal then travel to Mysore the city of palaces and home of yoga. The focus is culture and school.

Students stay in hostels together with chaperones. They visit schools, interact with students their age, partake in exciting activities, visit local attractions, game parks, silk and sugar industries of Mysore. We explore the city, ride elephants at the palace and visit flower markets. Students will spend 4 days on a service project working with underprivileged children.

An additional program is available in December with a focus on service learning

# Zimbabwe HARARE

June 15-26 2016

The Youth Ambassador program to Harare Zimbabwe has 15 spaces for high school students to travel from the Greater Cincinnati Area to Harare.

Students stay with host families. Female students will have the opportunity to spend 2 days and one night in a village boarding school out side of Harare. All students will participate in a service project at a local hospital.
